HUERTA'S STAND LOOK OMINOUS

Dictator's Latest Message Does Not Sound Apologetic to U. S.

LOOKS LIKE WAR NOW.

Mexican Said to Demand Gun For Gun From United States For Salute Fired by His Government.

Washington, April 17.—War looms in the Mexican situation this afternoon, as result of a new demand of General Huerta, provisional President of Mexico, that the United States fire a gun for gun salute with that fired by the Mexicans in reparation for the insult to the American flag.

In substance General Huerta's last communication disavows his previous promise to apologize.

The only interpretation of this action by those closely in touch with the Mexican situation is that Heurta has virtually thrown down the gauntlet to the United States and wants war.

Huerta's offer to salute the Stars and Stripes stipulated that a simultaneous salute should be fired by the United States, and to this the administration refuses to agree.

One of the highest officials in the government and who is in close touch with every move that has been made in the Mexican negotiations, said today that the administration has little faith that Huerta will fulfill the conditions imposed by the United States and that the government is going ahead and prepare for trouble below the border. He says the administration believes Huerta is merely playing for time and he is not going to get it.

The Cabinet has been in session at the Executive Offices since 9 o'clock this morning, and although no word has come from the President or any of the Cabinet officers, it is certain that the latest demand of the Mexican dictator to the American republic is being gravely discussed.

Administration officials and leaders in the House and Senate this afternoon declared that the United States is nearer to actual armed intervention in Mexico that it has been at any time during the controversy, and many predicted that open warfare would result within the next forty-eight hours.

Some of the members of the Foreign Relations Committees of both House and Senate insisted that President Wilson would order that the salute of the United States, in acknowledgment of that of the Mexican federals, be fired at the same time.

All this time the American ships are steaming with all speed toward Tampico.

Washington, April 17.—President Wilson has been told the end of the Huerta regime in Mexico is no longer a question of months, but almost of days. It is known this administration will not be surprised to receive, at any moment, official announcement that the tottering government had fallen.

The power of the provisional president is waning. The flower of his army was crushed in the fighting that followed the Torreon campaign. The bandit Villa's force is being augmented daily by those Mexicans who want to be on the wining side when the crash eventually comes.

Advices here indicate that unless all signs fail, Villa will be pounding at the gates of Mexico City within a fortnight. No one here will forecast whether Carranza and Villa will be able to set up a government that this nation can deal with and recognize. Because of this, the administration will concentrate its forces close to Mexico for any action that may be necessary.

The Atlantic fleet today is speeding toward Mexican waters, however. The United States intends to be prepared to adopt stern measures in Mexico to enforce its future demands. It will accept a salute from Huerta's guns as ending the Tampico affair. And the salute will be returned gun for gun, although in so doing there will be an apparent violation of a naval regulation.

But the United States will not withdraw its war vessels from the vicinity of the Mexican coast. And from now on there will be maintained sea, as well as on the Texas border, and adequate force to compel respect for Americans and to protect all foreign interests should a grave necessity arise.

There was much doubt today regarding whether this salute can properly be fired by the American warships. Paragraph 120 of the United States naval regulations reads as follows:

"No salute shall be fired in honor of any nation or of any official not formaly recognized by the government of the United States."

SENATORS WILL NOT YIELD.

Martin and Swanson Demand Assurance From Burleson Before Suggesting Names.

Danville, Va., April 17.—Senators Martin and Swanson refuse to recommend any men for appointment as postmasters in the Ninth District until Postmaster-General Burleson declares without equivocation that their recommendations will be followed. Burleson has written to the Senators advising them that their wishes regarding the Bristol office will be given consideration. But the Senators do not consider that as going far enough, and to prevent any embarrassment by having their recommendations overruled, they will not make them until assured that they will positively be followed.

That the senators intend to go to extremes in maintaining their position in this matter is shown in the nomination of A. B. Buchannan at Tazewell. The senators take the position that they recommended the appointment of J. B. Boyer and intend that he shall be appointed. The qualifications of Buchanan, they insist do not enter the situation so far as they a concerned.

Face to face with a crucial situation, Postmaster-General Burleson may relieve the tension by allowing R. Tate Irvine, the Democratic congressional nominee from the ninth district to act as referee on dividing the ninth district patronage. Should Burleson take this step he will extricate himself from an embarrassing situation, and his decision will greatly please the senators and the majority of the Ninth district Democrats, who are weary of seeing Republicans still holding on to the good offices under the Democratic administration.

MOTION TO REOPEN WHOLE DEBT CASE

Virginia Counsel Contends Amount of Interest is Only Question.

FOUGHT TO A FINISH.

Asks Supreme Court to Deny Petition—Argument is Expected to be Concluded Today.

Washington, April 17.—The long-fought Virginia-West-Virginia state debt case was presented to the Supreme court again yesterday in oral arguments.

The point is what share of the Virginia debt existing at the time of the formation of West Virginia should be paid by West Virginia. Several years ago the Supreme Court held that West Virginia was liable for some $7,00,000 to Virginia, but West Virginia now claims that this should be reduced to about $2,000,000 by reason of assets in the hands of Virginia in which it should be allowed to share.

Virginia claims that the only question now before the court is the amount of interest which West Virginia shall pay. When the Supreme Court fixed the amount of principal around $7,000,000 it suggested the creation of debt commissions by the two states to fix the amount of interest. The two states could not agree on the interest question.

Former Attorney-General Anderson, in presenting Virginia's case today, declared the Wheeling ordinance, creating the State of West Virginia, and the West Virginia constitution both recognized the fact that West Virginia should assume a part of the Virginia State debt. Mr. Anderson then contended that the State debt was an interest-bearing debt and when West Virginia assumed a portion if that state should feel impelled to pay the accumulated interest on her share. Computations made by the special commissioner, former Congressman Littlefield, fixed the interest amount around $14,000,000. The aggregate principal and interest which West Virginia will pay should the case go against them will be a little over $21,000,000.

In referring to the new plea made before the court by West Virginia that a number of assets have been discovered which should be used as setoffs in favor of West Virginia, Judge Anderson denied that Virginia had received the credits set forth in the statement filed by West Virginia as a basis for completely reopening the case, and stated that while said credits are represented to have existed, they are, in fact, mere estimates as of January 1, 1861, based upon unwarranted assumptions.

"Now, after the case has been litigated for more than eight years," said Judge Anderson, "upon lines of the defendant's own selection, upon records prepared with infinite pains and labor, with the assistance of trained and able counsel, and the cause fought to a finish and a decision rendered upon the main question involved, which decision has been reiterated and affirmed by this court, the defendant comes into this court in the ninth year and asks to be permitted to assert a new line of defense, which has been all along open to her for adoption, and to litigate the case upon these alleged new grounds. We submit that the motion of the defendant allow such rate of interest for such period of time as in its judgment will meet the ends of justice."

John H. Holt, associate counsel for West Virginia, later took up the argument proceeding on the line that in view of the new evidence brought forth the court should reopen the whole case and allow the setoffs which will bring the debt down to about $2,000,000.

He was followed by Attorney Sanford Robinson, of New York, counsel for the bondholding creditors, who proceeded upon the line taken by the Virginia counsel.

The case was taken up today by Attorney General Lilly, of West Virginia, who consumed the hour yet remaining for his side. After Mr. Lilly, Randolph, Harrison, of Lynchburg, closed the argument of Virginia.

Randolph Harrison, of Lynchburg, who has been associated as counsel in the case since it was first opened, and has prepared most of the papers, explained the proceedings yesterday as follows:

"The Virginia and the West Virginia commissioners having failed to come to any agreement on the unsettled question of interest referred to the two States for settlement by the court in its opinion of March 6, 1911, counsel for Virginia moved the court, in October, 1913, to proceed to a final decree; whereupon the court set the case down for final hearing on the 13th day of April, 1914.

"In the meantime," continued Mr. Harrison, "the West Virginia commission on March 4, 1914, submitted to the Virginia commission a claim for certain credits, which they asserted had been but recently discovered by them, and which, according to their contention, would reduce the principal as ascertained by the court from $7,182,0000 to $2,237,000. This sum, without interest, they proposed to recommend to West Virginia for settlement. This proposition was promptly declined by Virginia.

"Thereupon counsel for West Virginia filed a motion asking leave of the court to be allowed to file a supplemental answer, setting up these alleged credits, and to reopen the case in order that they should be investigated and passed upon; and this question, as well as the question of interst, are the questions which were argued before the court today."

TRANSFERRED TO THIS CITY.

Trainmaster at Harrisonburg to Come to Alexandria.

G. R. Buddin, for the past five years trainmaster of the Southern Railway with headquarters at Harrisonburg, has been transferred to Alexandria, assuming similar duties on the main line. Mr. Buddin will be succeeded at Harrisonburg by T. P. Weston, who was trainmaster at Alexandria.

The transfer was announced, officially, Saturday, by Superintendent Peyton, of the Washington Division.

Mr. Buddin came to Harrisonburg in 1909, from the general superintendent's office at Greensboro, N. C. While in charge of the Harrisonburg branch he has aided materially in maintaining the high standard of service now given by the Southern in the Valley and his transfer will be generally regretted. He and his family will reside in Alexandria.

Mr. Weston, his successor, is an experienced railroad man.—Harrisonburg Daily News-Record.

MUST PAY LICENSE TAX.

Auditor Serves Notice That Law Exempting Physicians Will Not Apply This Year.

Richmond, April 17.—Physicians and surgeons will be required to take out State licenses this year, as heretofore, the act of the General Assembly which exempts physicians not being in effect until after the license period has passed. State Auditor of Public Accounts C. Lee Moore issued a printed circular of instructions to commissioners of the revenue yesterday, giving as a schedule of the cost of the various statutes on the subject of license taxes. Under the head of "Physicians and Surgeons" Mr. Moore said:

"You will this year require physicians and surgeons to take out licenses, as heretofore in compliance with the tax laws of 1912, because the act relieving physicians and surgeons of the payment of state license tax is not an emergency act, therefore not in force until on and after June 19, 1914; consequently, physicians and surgeons must, for the license year commencing May 1, 1914, take out the license provided for in the tax laws of 1912."

The ruling will mean a saving of about $45,000 to the State, as that is the amount the State will lose annually under the operations of the new act.

FIRE IN NEW YORK ROOMING HOUSE

Ten Persons Perish in Early Morning Horror and a Number Injured.

FIVE BADLY BURNED.

Firemen Make Daring Rescues—Some Bodies Recovered Burned Beyond Recognition.

New York, April 17.—Ten persons were burned to death, another is dying and five more are suffering untold agony in the Polyclinic Hospital today as a result of a fire about 2 o'clock this morning, which swept a six-story rooming house in Eighth avenue, trapping the tenants like rats, but causing only $25,000 damage.

The dead:

Edward Wallace, forty-six, suffocated.

Nellie Wallace, his wife, thirty-two, suffocated.

Mrs. Nellie Spencer, twenty-eight, cloak model.

Murial Davis, four.

Six men, burned beyond recognition.

The injured:

Joseph Messer, seriously burned.

Martin Welsh, face and hands burned.

Edward J. McNally, face and hands burned.

Charles Burke, face and hands burned.

Mrs. George C. Davis, not expected to live.

Forty of the rooms in the building, located at 741 Eighth avenue, were rented to theatrical people and cloak models.

Excited by the flames, Louis Berlin, a roomer, was about to jump from the third floor when Fire Captain Smith shouted to him to wait while he ran after a small step ladder which he placed across an areaway. Smith was held by his legs as he reached out to help Berlin across. Then the ladder broke and Berlin dropped, but Smith held firmly. The five firemen then pulled both men to safety.

Seven bodies have been taken out so far; others are missing, and many injured by jumping from windows and fire escapes into life nets.

The charred bodies of seven victims, including a woman and a little child, had been taken from the burning building fifteen minutes after the flames were first discovered on the third floor.

Physicians at the Polyclinic Hospital said that of the first ten burned and injured persons to arrive there several probably would die.

Several panic-stricken tenants would not wait for the ladders and leaped out of the windows and from the fire escapes, being crippled as they hit the sidewalks.

Firemen spread life nets then and into these half a dozen or more persons leaped.

From the first the flames cut off the escape of tenants above the third floor and those who occupied flats on the fourth, fifth and sixth floors. They could not get down the one narrow stairway in the old-fashioned tenement building, and had to seek escape by the windows and fire escapes in the front and the windows in the rear.

A number of persons who lived in the tenement had not been accounted for at 3 o'clock this morning, and Fire Chief Kenlon said he was sure there were more bodies in the ruins.

TWO GENERALS REPORTED SLAIN

Federal Commanders Maas and Campa Believed to Have Fallen.

REAR GUARD SUFFERS.

Huerta's Troops Said to be Returning With Villa's Cavalry in Hot Pursuit After Slaughter.

Torreon, Mexico, April 17. —With Gen. Joaquin Maas and Gen. Emilo P. Campa reported slain and Gen. Refugio Velasco and two other generals badly wounded, the three divisions of the Mexican federal army in this district—the division of the north, the division of the Naxas and the division of the Del Rio Brava—commanded by eighteen generals, is retreating steadily toward the east today, pursued by Cavalry columns sent out by Gen. Francisco Villa.

After a six-hour engagement at Benavides station, near San Pedro, the main body of federals evacuated that place early Thursday, leaving 1,000 troops in the town to make a show of resistance, fooling Villa in believing they still were trying to hold the place and cover the flight of the main column.

The movement amounted to a sacrifice of one thousand men composing the rear guard, as 700 of them were killed in the attack yesterday, when Gen. Villa ordered his entire force of 20,000 rebels to close in. The other 300 were captured, most of them having been wounded.

The prisoners declare Gen. Maas and Gen. Campa were killed in the six-hour battle at Benavides, and that Gen. Velasco was so badly wounded that he will die. This is Velasco's second wound since the Torreon campaign opened.

Twelve hundred more federal prisoners, 900 of whom are wounded, were brought here last night, making a total of 3,000 federals captured by Villa in the battles of San Pedro and Benavides. Nearly all of the prisoners have taken the oath of allegiance to the constitutionalist cause. Joining Villa's army is optional with the men.

NO DEMAND FROM ROADS

Long Time Since Alexandria Jailbirds Performed Labor on State Highways

About six months ago there was considerable talk among officials in Richmond in regard to employing convicts upon the State roads, according to law. Opinions were given to the effect that all State prisoners in jails, no matter how brief their terms, were eligible for service, and it was supposed that the number engaged in work upon State highways was to be augmented considerably. If this was the purpose of the State officials, they seem to have given Alexandria the go-by for some time, as prisoners are allowed to serve their full time in our lock-up.

It is stated that over a year has elapsed since a requisition for recruits was made upon the city sergeant of Alexandria.

Some time ago the fear of being placed upon the public roads acted as a deterrent to many prone to break laws, and when placed in the dock of the Police Court cold chills coursed down their backs when any reference to a jail sentence was made.

While the State would get labor out of such convicts, an airing would be beneficial to them. Toasting shins, eating, drinking, smoking, and sleeping during months of confinement is not conducive to health.

NEWS OF THE OLD DOMINION

WOMEN ROB MAN.

Mosely Junction Farmer Recovers Most of His Money From Them.

Richmond, April 17.—Detectives from police headquarters are searching for two negro women who robbed F. F. Pollard, a farmer, of Moseley's Junction, Va., while he was feeding his horse last night in a stable on Marshall street between Market Space and Seventh street.

While one woman seized him by the arms and held him fast, the other went through his pockets, getting two wallets, one containing $150 and the other forty-five cents.

Pollard finally succeeded in wrenching his hands loose and recovered the purse containing the larger amount of money.

The women escaped, however, before he could sound the alarm. He furnished the police with a good description of them and it is believed that they will be in custody before the end of the day.

Both of the Amazonian robbers were stout and heavily built, according to Pollard.

BRAXTON'S SUCCESSOR.

Eppa Hunton Becomes General Counsel of Richmond, Fredericksburg And Potomac R. R.

Richmond, April 17.—President White, of the Richmond, Fredericksburg and Potomac Railway, has announced the appointment of Eppa Hunton as general counsel of the road to succeed the late A. Caperton Braxton who died several weeks ago. It is understood that the appointment is effective at once.

Mr. Hunton is a member of the legal firm of Hunton, Williams & Anderson.

He is a son of the late General Eppa Hunton, of Fauquier.

Mr. Hunton's new duties will not cause a severance of connections with his legal firm.

CONTEST IN THE NINTH.

Democrats Confident of Electing R. Tate Irvine.

Freeling, Va., April 17.—There is considerable activity among the Democrats of Dickinson county in behalf of the candidacy of R. Tate Irvine, who stands for Congress from the Ninth District.

The party leaders seem sanguine of success. They think that with the proper effort, the district can be redeemed.

The practical elimination of bribery from elections in the Ninth district has made it possible to conduct a campaign along lines of intelligence and education, and in this the managers claim a distinct advantage.

The Democrats of the county have not yet fully paid up their poll taxes, but an effort is being made to remind the delinquents.

TUBERCULOSIS

In addition to plenty of fresh air and proper diet, those suffering from or who are predisposed to Tuberculosis are recommended to use Eckman's Alterative to stop night sweats, banish fever and hasten recovery. Accept no substitutes. Sold by leading druggists. Write to the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries.

TRIBUTE TO JEFFERSON.

President Wilson Sends Wreath for Grave of Sage of Monticello.

Charlottesville, Va., April 17.—The anniversary meeting of the Monticello Graveyard Association, held here yesterday, was attended by eleven members, representing three generations of the descendants of Col. Thomas Jefferson Randolph, of Edgehill. In the absence of Col. J. R. Kean, president of the association, who is now stationed at Fort Leavenworth, the meeting was called to order by the vice president, who announced that a wreath had been sent by President Wilson for the grave of Jefferson. A resolution of thanks was moved by Colonel Geo. Wayne Anderson, of Richmond, and passed unanimously.

After the adjournment of the meeting, a deputation from the association took the wreath to the graveyard, where it was placed in position by Thomas Jefferson Randolph, the fifth of the name and fifth in descent from Thomas Jefferson.

WILL GET COMMISSIONS.

Five Officers Qualify for Positions in Military Service of Virginia.

Richmond, April 17.—Adjutant-General W. W. Sale announced yesterday that the following officers had been examined and will receive commissons in the Virginia Volunteers.

Adrian Nalls, captain, Company B, Second Infantry, Culpeper, to succeed Captain E. H. Gibson.

Edwrad C. S. Taliaferro, captain, Medical Corps, Fourth Infantry, Norfolk.

Wiilliam McKee Dunn, first lieutenant, Quartermaster's Department, Richmond.

Charles C. Smith, first lieutenant, Medical Corps, Fourth Infantry, Norfolk to succeed Lieutenant S. R. Donahue.

Fire Causes Two Deaths.

Culpeper, Va., April 17. —Robert Rosson, 20 years old, one of the volunteer firemen injured by the falling wall in the conflagration here Easter Monday, when Carter Parr, 19 years old, nephew of L. B. Nelson, a local merchant, was killed, died Wednesday in the University of Virginia hospital.

Glenmore Rosson, Mercer Jones and Powell Jones, who were also caught under the falling wall of the Eclipse Theatre and badly burned, are improving. Louis L. Whitestone, former postmaster of Culpeper, who was badly cut and bruised, is also improving. Several of the volunteer firemen were rescued after they had become unconscious.

The body of John Linardos, aged 21, a Greek, who not long since gouged out his right eye with a fork, because, as he quoted, "If the right eye offend thee, pluck it out," was found dangling from a tree in Huff Park, Greensburg, Pa., yesterday. The young man had hanged himself after plunging a knife into his abdomen. Linardos is said to have been fanatical on religious subjects.

THERE'S NO CORN THAT "GETS-IT" WON'T GET

No More Fussing, Plasters, Salves and Corn Pains. Try The New Way.

"Just look at the way that corn comes off!" That's what you'll say when you try wonderful "GETS-IT" on the corn you've tried so long to pry off your toe. It's easy to apply.

Madam, For Those Corns That Make You Jump Out of Your Shoes, Try Wonderful "GETS-IT."

"GETS-IT",—one, two, three, and it's done! The corn begins to shrivel, away she goes, surely, absolutely. A few drops will do it. "GETS-IT" never makes toes red and raw. Corn pains go! It means the end of cutting and gouging of corns, the end of stick plasters that don't work anyhow, the end of salves that eat up your toes, no more "harness", or fussing. Try "GETS-IT," the new, sure way, for corns and calluses.

"GETS-IT" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

PUT ON RECORD.

Bond Issue Papers of Richmond-Times-Dispatch For $300,000 Filed.

Richmond, Va., April 17.—Papers were filed in the Chancery Court Wednesday afternoon recording a $300,000 mortgage issued Thursday by the Times-Dispatch Publishing Co., which has been bought by Mr. James Breuchaud, of New York, and J. O. and T. S. Winston, of this city.

Thomas P. Bryan and O. J. Sands, president of the American National Bank, are named as trustees.

The bonds are of the $1,000 denomination and bear interest at 6 per cent. They are issued in blocks of fifty, one block being due on April 1 of each year—beginning next year—until all are paid.

Pending the payment of the bonds the trustees are to hold the newspaper—but not control it—its franchises and contracts, its subscription lists and all its office and mechanical furniture and equipment.

The Times-Dispatch made editorial announcement yesterday morning of the sale to Messrs. Breuchard and Winston. It announced that there would be no change in the policy of the publication. As to the ideals of the paper the new management, in part, says:

"Justice shall be the watchword.

"Justice to the small, as well as the great, to the rich no less than to the poor.

"Justice—active Justice—which involves not only opposition to injustice, but also demands the striking of hard blows to win for all deserving persons the increase in physical and well-being which the arts and sciences have made it possible."

It has been known for some time that the Times-Dispatch had changed hands. The announcement yesterday morning, however, was the first statement by the new owners who are now in full charge of the paper.

The Times-Dispatch was owned by the Bryans. The old Richmond Times was acquired by Joseph Bryan a number of years ago, and in 1903 was consolidated with the Richmond Dispatch. At Mr. Bryan's death the paper passed to his estate, but was subsequently taken charge of by John Stewart and St. George Bryan.

While no positive statement as to the price paid for the paper has been made by the interested parties, it is said to be $135,000. Of this amount $135,000 is understood to have been in cash. The rest is secured by bonds, which are practically nothing more than secured notes due in one, two, three, four, five and six years.

DEATH OF MRS. FAGAN.

Deceased Woman Who Chased Soldier During War.

Winchester, Va., April 17.—Funeral services for Miss Margaret T. Fagan, about 88 years old, who died in the home of her nephew, George W. Haynes, was conducted Wednesday by the Rev. John McVerry in Sacred Heart Catholic Church.

Miss Fagan was a strong Southern sympathizer, although born in Pennsylvania, and it is related that she often used her great physical strength in helping the Confederate soldiers in their work.

One one occasion, when a Federal army occupied Winchester, a Federal soldier entered Miss Fagan's home and demanded his dinner. She was cutting bread at that time, and flourishing her bread knife, she chased the soldier from the house and he beat a hasty retreat.

HANGFIRE IN THE MEXICAN INCIDENT.

According to reports which were being circulated in Washington this afternoon, Heurta, while not acting defiantly toward the United States, is manifesting obduracy, which may delay for a short time the elimination of the friction caused by the arrest of United States sailors. He is said to have announced that gun for gun would be required of the United States for any salute Mexico might give to the stars and stripes.

Considerable excitement exists in Washington and all sorts of rumors are in circulation concerning the outcome of the tension now exisiting between this country and Mexico.

Many in representative positions still prefer to believe that Heurta has no intention to proceed beyond a certain limit in his dealings with the United States, and that he will be placable when he realizes that this country means business.

The war fever, however, is in the air, and there is no telling what a day may bring forth.

PROPOSED REPEAL OF TOLLS CLAUSE.

A few anti-administration papers are still engaged in futile attempts to keep alive the fast expiring flames of opposition to President Wilson's policy for the repeal of the clause in the Panama Canal law exempting American coastwise steamers from tolls while passing through the great waterway. Joseph H. Choate, who was American ambassador to England during the negotiation of the Hay-Pauncefote treaty, is supporting the President in his contention, as is also former President Taft.

The opponents of Mr. Wilson in this matter are not making converts, while many who uttered hasty opinions a few weeks ago have been made to realize that the President has taken the proper stand, and that should the Senate concur with the House of Representatives in expunging the much discussed section satisfactory results will follow not only to the world at large, but, it is believed, to the mercantile representatives of our own country also.

Led by a Dream to Body.

New York, April 17.—In a dream Ray Lurch, a life saver, of Gilgo station, seemed to see his lost friend, William Bennett, of the Jones Beach crew, lying dead on Thatch Isle, near Fire Island. Bennett had been missing since March 1, when he set out on Great South bay in a small boat.

The dream so impressed Burch that he sailed to Thatch Isle, and searching the beach, found the body.

BOMB WRECKS GREAT PIER.

Dance Deck, Pavilion, and Band Stand Destroyed as Fire Sweeps Structure.

Great Yarmouth, England, April 17.—The Brittania pier, one of the finest in England, was wrecked by fire today following the explosion of a bomb planted by militant suffragettes. The pavilion, band stand, and dance deck of the pier were entirely destroyed. The entire superstructure of the pier was burned away and the iron supports were badly damaged. The loss is estimated at $75,000.

The fire occurred at 4 a. m. It was preceded by a bomb explosion, which shook the surrounding territory. Flames were soon sweeping the entire pier. The bomb is believed to have been secreted in the pavilion during a concert last night, and probably was of the timing device variety, and set to explode this morning. Suffragette literature was found scattered about the beach near the pier.

CHURCH BY PARCEL POST.

Lewis Wants Interested Persons to Sends Bricks by Mail.

Washington, April 17.—A parcel post church will soon be erected in Winona, Md., if Representative David J. Lewis has his way.

The church will be built by bricks contributed by mail. President Wilson will be requested to mail a brick or two for the church. No effort will be made to have all the bricks of uniform, size, shape weight or color. Any old brick will do.

Killed at Fire in Cleveland.

Cleveland, Ohio, April 17.—One woman was killed, five persons injured and one hundred driven to the streets early today when fire destroyed the French Apartments in East Sixth street here.

Miss Bessie Mahoney, forty-five, jumped from a third story window of the burning structure and died of a fractured skull, en route to a hospital. Leigo Wallace and Edward Smith jumped from a second story window and were seriously hurt. Two others were burned in rapid flight from flame filled hallways.

Flight Over Ocean in August?

New York, April 17.—Glenn H. Curtiss, who is constructing Rodman Wanamaker's trans-Atlantic hydro-aeroplane, said today he expected to have the craft completed early in June, and that the flight probably would be attempted early in August.

"The framework of the boat is already finished," said Mr. Curtiss. "A complete engine has been built for it, but it is possible that this will be used only in tests, and that a new one will be built before the flight is attempted."

Two Motorists Killed.

East Hartford, Conn., April 17.—Charles E. Pease, was killed and Albert Judson fatally injured when their automobile crashed head-on into a trolley car. Judson died without regaining consciousness.

Both were thrown fifteen feet by the collision. Mr. Pease struck on his head and died of a fractured skull. Both were on their way home when the accident occurred.

TELEGRAPH BRIEFS.

Fireman John McCauley was seriously injured when he fell from his engine, while rounding a sharp cure near Berkeley, W. Va.

NEWS OF THE DAY

Seven men and one woman, including H. G. Hardy and his wife, of Deer Isle, Me., perished in the surf off Long Branch, N. J., yesterday when the three-masted schooner Charles R. Buckley was driven ashore there.

Joseph H. Choate, American ambassador to Great Britain during the negotiation of the Hay-Pauncefote treaty believes that the correspondence with the British government at that time precludes the idea that American coastwise shipping can be exempted from paying tolls through the Panama Canal. Former President Taft, who signed the Panama Canal act containing the exemption clause, thought that in doing so he was granting a subsidy to American coastwise shipping and takes the view that unless Congress reverses itself the U. S. will have to submit the question to arbitration.

Southern Democrats, filibustering late yesterday against the confirmation of Robert H. Terrell, a negro, as a municipal judge in the District of Columbia, kept the Senate in executive session for more than three hours without a vote. Senator Vardaman, of Mississippi, said he would continue the struggle "until the last ditch."

Vincent Astor, who has been ill with congestion of the right lung at the home of Mr. and Mrs. R. P. Huntington, at Staatsburg, New York, was yesterday prononuced out of danger. "Mr. Astor has improved very rapidly, and the doctors say that all danger of complications has now passed," said Mr. Huntington, the father of Miss Helen Huntington, to whom Mr. Astor is engaged.

Horribly burned from head to foot, Evelyn Dunhan, 23 years old, colored, was brought to Emergency Hospital, in Washington, Wednesday night and died yesterday. She admitted that she had deliberately set her clothing on fire. She wanted to die, she said, because her admirer had abandoned her.

While reading the morning paper the glass eye of M. C. Canterberry, a farmer living near Huntington, W. Va., exploded, but he escaped without a scratch. He was leaning over when with a loud report the artificial eye burst and a shower of glass fell over the paper. The explosion was similar in nature to the explosion of an electric light bulb, artificial eyes being made with a void at the center.

DISTILLERS HELD FOR TRIAL.

John A. Deidrich and Others are Charged With Attempting to Defraud Government.

Richmond, Va., April 17.—John A. Deidrich, proprietor of the Henrico Distilling Company, W. A. Wilson, Ira C. Smith and Joseph Reeds, arrested wednesday morning, were taken before Commissioner Flegenheimer on the charge of attempting to defraud the government. Bail was allowed in the sum of $1,000 in each case, the men being released.

Revenue officers have seized the plant of the Richmond Distilling Co., in Henrico county, on account of alleged irregularities of the affairs of the concern.

The distillery has been under investigation for some time, and was formally taken in charge by Collector Lowry last Saturday. The plant is owned by John A. Deidrich and is supposed to have a capacity of 400 gallons of whiskey a day. Under the supervision of the revenue officers it is said that about 700 gallons were made in a single day.

No arrest have been made yet, but the plant is to be subject to investigation. In the event of further arrests, the proprietor will no doubt give bond and continue to operate the distillery for a short while on account of the large amount of stock on hand.

GLASS ADVISED TO REST.

Congressman in Exceedingly Nervous State From Overwork.

Washington, April 17.—Congressman Carter Glass was compelled to cancel an engagement to speak last night before the Chamber of Commerce of Newport News, and before the trades bodies of Cleveland, O., on Saturday night, on account of his being in an exceedingly nervous state, occasioned by overwork. He has been advised to rest as much as possible for the next week or ten days.

TUCKER-CHESHIRE WEDDING.

Dr. Tucker, Son of Virginia Bishop, Weds Daughter of Carolina Prelate.

Raleigh, N. C., April 17.—Bishop Joseph B. Cheshire, of the North Carolina diocese, and Bishop Beverly D. Tucker, coadjutor of the Southern Virginia diocese, officiated yesterday evening at the ceremony that married Bishop Tucker's son and Bishop Cheshire's daughter.

The bridal couple, Miss Annie Cheshire, of Raleigh, and Dr. Augustine Washington Tucker, of Lynchburg, Va., were attended by a remarkable wedding train. Starting at Bishop Cheshire's home, the attendants marched several blocks to St. Mary's school, in whose chapel the two prelates read the ritual that joined their children. Immediately after the ceremony Bishop Cheshire and Mrs. Cheshire entertained in honor of the couple.

The marriage of Miss Cheshire and Dr. Tucker follows a romance that began in China while the physician was there as medical missionary and the bride as missionary from the Episcopal Church. After spending the summer here they will go back to China.

HUERTA'S BACKDOWN.

Europe Advised Dictator to Apologise to United States.

Washington, April 17.—European powers advised Huerta to apologize to the United States at once and end a situation which threatened grave consequences.

Friends and agents of the Mexican dictator in the United States also assured him that unless a salute was fired to the American flag the seizure of the ports of Tampico and Vera Cruz and a blockade of Mexico by the American fleet was the Washington program.

Pressures upon Huerta was brought by the diplomatic representatives of other nations in Mexico City.

They advised him that the United States "meant business" and that there was ample precedent for the firing of a salute without loss of national dignity.

They pointed out that the United States once saluted the flag of Spain and the flag of Brazil.

As a precedent for returning a salute the State Department turns to the case of the French Consul at San Francisco, who, in 1854, was taken before a local court in violation of a treaty. France demanded a salute and an apology. A compromise was reached by which a French fleet was sent to San Francisco, and the incident was closed.

Naval authorities generally favor the return of salutes rendered in such a fashion as part of a national reparation for an affront, on the theory that such a salute is an amende honorable and must be met in that spirit by a proper acknowledgment.

New York, April 17.—A Washington dispatch to the New York American says:

Experts of the Navy and War Departments state that the extraordinary expense of forcing the salute to the flag has so far been entirely borne by the navy.

The bureau of steam engineering says the expense is due chiefly to the extra amount of coal necessary to steam to Tampico, on the east coast and from the north Pacific ports to the west coast of Mexico.

This will cost the government in extra coal $130,000. Other expenses incident to the hurried taking on of supplies will add to the total.

Disorder in China.

A formidable revolutionary movement has been launched in Southern China, according to a dispatch from Shanghai. The regular troops at Sianfu, capital of Shensi province, are said to have mutined, and are believed to be in league with the notorious brigand White Wolf. The rebellion, however, centers in Nanking, where there is a reign of terror among the populace and feverish excitement among the official classes. Indications of trouble are reported also from Canton and Wuchang. Six provinces are said to be affected.

EIGHT MEN DROWNED.

Seventy-Mile Gale Lashes Waters of Atlantic Coast. Fear for Other Ships.

New York, April 17.— A three-masted lumber schooner, a tugboat and barke were dashed to pieces off the New Jersey coast, and eight members of their crews perished while thousands of dollars worth of property was damaged yesterday following seventy-mile gale and driving rain which has flailed the Atlantic coast south of here for thirty-six hours.

Scores of Alexandria Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidney's duty.

When they fail to do this the kidney's are weak.

Backache and other kidney ills may follow;

Help the kidneys do their work.

Use Doan's Kidney Pills—the tested kidney remedy.

Alexandria people endorse their worth.

Mrs. J. B. Briscoe, 115 Prince St., Alexandria, Va., says: "A few years ago I allowed my name to be used publicly telling of the great amount of good Doan's Kidney Pills had done and at this time my opinion of the remedy is not changed. I recommend it more strongly than before. My back was lame and sore for five years, I just dreaded my house work on that account. After I took Doan's Kidney Pills I felt a great deal better in every way."

If your back aches—if your kidneys borther you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Briscoe had—the remedy backed by home testimony. 50c all stores. Foster Milburn Co., Props., Buffalo, New York. 17

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months.

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui *today*. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.
